### III. STATEMENT OF CLAIMS

#### Claim I

*State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.*

I was having an anxiety attack. The decision was made to place me under suicide watch. I was given no anxiety medication. I became overwhelmed and began to bang my head on the wall. A response team under the supervision of Sgt Garcia was sent in. ~~Two officers of whom I am not sure~~ I was tackled. Then two officers, (names unknown) held me down while two other officers, (names also unknown) slammed my head into the ground and struck me repeatedly in the head with their fists. This was recorded on two cameras. This is a clear violation of my 8th amendment Rights protecting me against cruel and unusual punishment. Photos were taken of my face following the incident, and nurse Potter examined my injuries.
